

Marion & Michael

Timothy & Eliana

Thank you for taking a few minutes to learn about our family. As you read our letter, know that we admire your courage to consider adoption and we are praying for you. We trust God wholeheartedly and pray this verse over you and your child. May you hear Him clearly and be at peace as you walk this road.

"For I know the plans I have for you declares the Lord. Plans to prosper you and not to harm you. Plans to give you hope and a future." Jeremiah 29:11

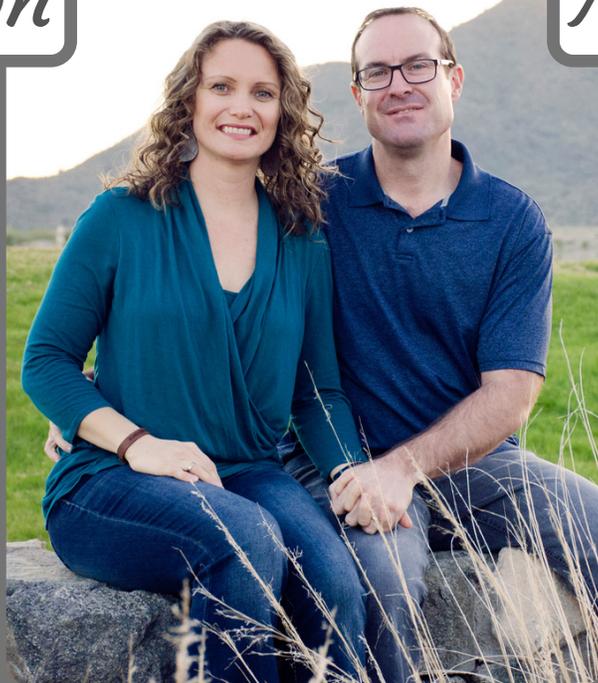

Our Story

We met while studying abroad in England. Soon after, we got engaged and were married in Austria. This year we will celebrate 15 years of marriage and we have lived in the Phoenix area all this time. God led us to adoption. In 2012 we were blessed to adopt our son Timothy (Timmy). In 2015, Eliana joined our family. Both of their birth families are very dear to our hearts! All four of us are excited to add another precious child to our family.

Marion

is a loving and dedicated mother and wife. As a stay at home mom, she loves to play, cook, travel, read, teach, join our kids in their activities, and connect with other moms. She also own a part time business and volunteers at church.

Michael

is such a loving husband and the most patient and hands on dad. He loves the outdoors, traveling, and playing with our kids. Besides being the principal of our children's school, he also serves at our church and leads Timmy's Cub Scout den.

Timmy

is a bright, caring, and curious 6-year-old. He loves sports, LEGOs, board games, and books. You'll find him designing and building things, listening to or reading stories, and playing with his sister. He is very social, enjoys school, and loves to play with friends.

Eliana

is a confident and loving 4-year-old. She loves to dance, sing, dress-up, and pretend. You'll find her listening to music or stories, reading books, and playing with her doll house, babies, and princesses. She adores her brother and loves playing with her preschool friends.

Family

We are so grateful to have Michael's immediate family nearby, with grandparents less than a mile from us and cousins only fifteen minutes away. It makes family get-togethers and cousin playtime so easy! Sleepovers at grandma and grandpa's house are always a highlight for the kids.

Marion's family lives in Austria where she grew up. Her parents come to visit every year for several weeks. Everyone is excited when Omi and Opa are here, as their visits include lots of playtime and fun. We cherish our trips to Austria to see the rest of Marion's family every couple of years.
