About Juliet

I worked as a Registered Dietitian in the field of eating disorders for many years.

I am now in law school, which allows me to study from home & is ideal for a stay-at-home mom.

Church & faith are the most important things in my life, but I enjoy many things: cooking, fashion, reading, music, swimming, entertaining, friends, family & especially being married.

I am a nutty Ohio State Buckeye fan, my alma mater.

Kids are also on my list (of course).

We got engaged @ the top of the Empire State Building

What I like about Juliet

Juliet is truly a gift from God. No one makes me happier, healthier & fulfilled. We have so much in common it feels like our first date never ended. She is fun to be with & is my social director. She is many things I am not, which make us a good pair. But she is no push over & speaks the truth. Her latest adventure with law school is a perfect fit for both of us. And she will make a great mom.

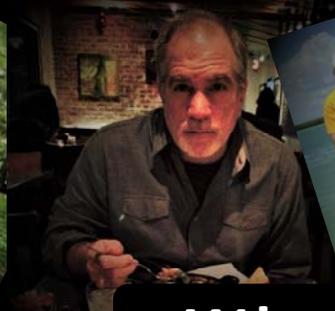

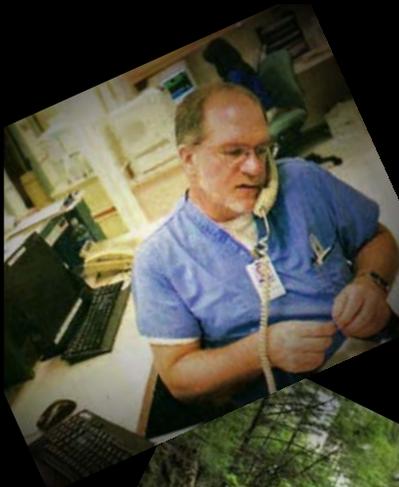

About Todd

I am an Emergency Physician & worked for several years in the ER.

I now do consulting helping other doctors & hospitals with technology.

I am also an investor which has blessed us with the ability to do many things.

But one thing missing is children. My father was a huge influence in my life, so being a father is something I would truly enjoy.

What I like about Todd

Todd is the most interesting person I've ever met. He has a tender heart, is good natured & is good at fixing stuff. He enjoys teaching & mentoring others. He's fun & funny (although I try not to laugh at all his jokes). We talk about life, faith, world events, politics, medicine, all sorts of things. He is easy to live with, even when I don't get my way. I waited a long time to find my husband & he was worth the wait. He will be a great dad.

About Us

God has blessed us in so many ways. And we would love to share these blessings with children.

We both grew up in Christian families, which shaped us into who we are today.

Family & Church Friends

We love our church, which has great kids' programs.

We also host a Bible study at our home weekly, among other church activities.

We enjoy our neighbors in north Scottsdale. We enjoy visiting family (OH, MI, IN & TN), where we have nieces (13 & 15) & nephews (8, 9, 18 & 34). We are big sports fans: football, baseball, basketball.

More Family

@D'backs Game

@Ohio State Football Game

We enjoy hosting friends & family for dinner, game nights, tennis, putt putt golf, swimming & more . . .

To relax we read, watch TV, sports, documentaries, movies & news.

We like to learn & teach.

We actually met on an airplane (2011) & married in 2012. One of many miracles . . . with many more to come.
