

# CHAMPIONS

*Fighting for flourishing families for every child.*

## Christian Family Care

---

***Christian Family Care's mission is to strengthen families and serve at-risk children in the name of Jesus Christ.***

We are seeking **CHAMPIONS** who will press on in this secular culture, who will fight the cause of Christ for his children whom he loves. *(Philippians 3:12-14) (Mark 9:36)*

Through your partnership as a **CHAMPION**, CFC will grow its mission of restoring faith and families, strengthening communities, and helping children and families flourish.

As a **CHAMPION**, you will play a crucial role in giving countless families and children new hope and joy.

## CHAMPION:

***A person who supports a cause, who fights on behalf of someone else.***

*For Arizona's children and families, let's seize territory beyond our reach today and grow closer to our ultimate goal of seeing every vulnerable child loved and nurtured in a Christ-centered family.*

# *We are* CHAMPIONS!

*We are relational, engaged in advocating for the welfare of children and families, and providing access to professional counseling and Christ-centered services for every child and family we serve.*

*We intend to ensure each boy and girl experiences abundant love and joy in a stable, Christ-centered, intact family—strengthening families and serving children, so every child, family, and community thrives.*

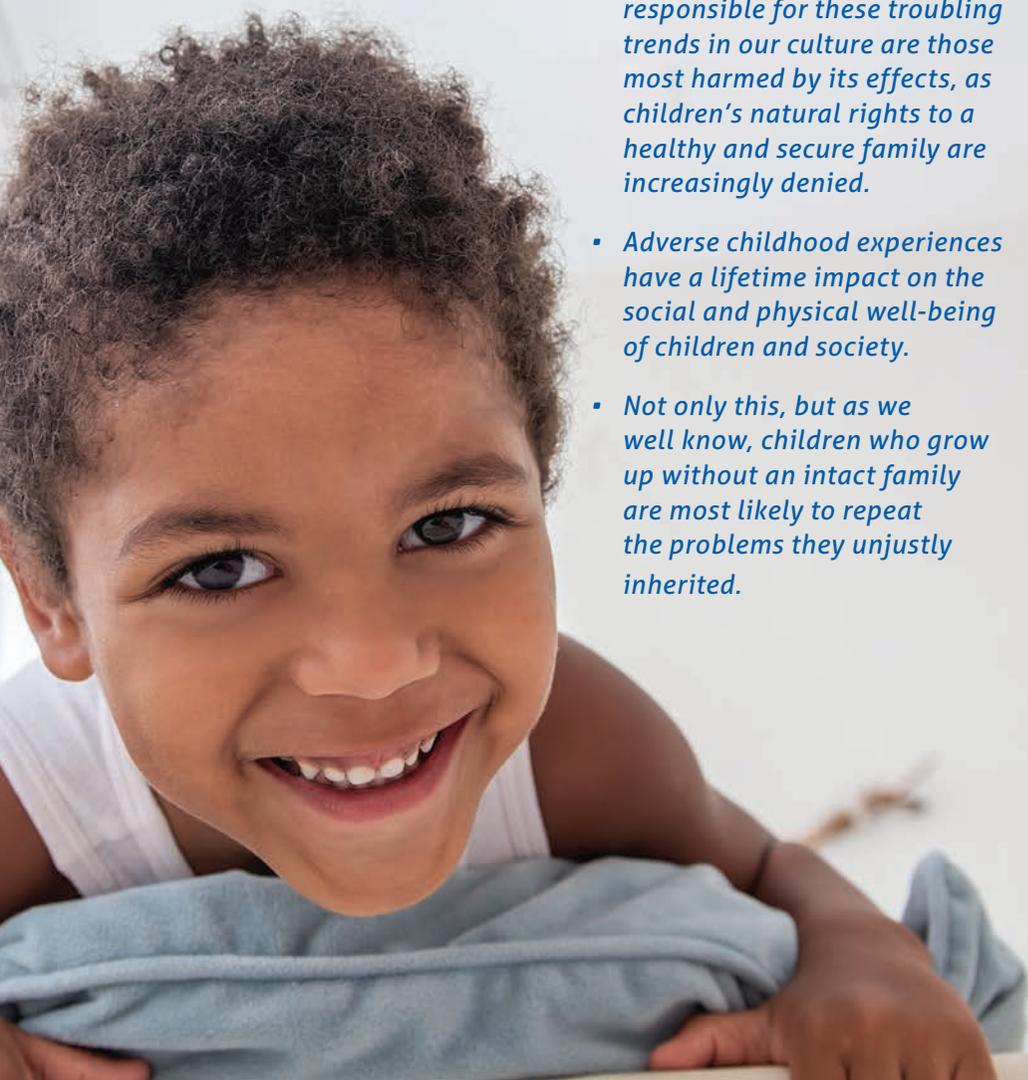

# THAT MEANS WE NEED YOU!

**Christian Family Care is building a community of CHAMPIONS who are invested in sharing resources with children in need of healing and God's love. This community-based approach means we don't simply connect children in need with interested families and walk away.**

***The steady growth in our programs reflects the ongoing collapse of marriages, families, and other support structures in Arizona and around the nation and the greater need for restoration, prevention, and support.***

- *Longstanding trends in divorce and exponential growth in related social problems have left record numbers of children in painful and precarious situations.*
- *Children who are least responsible for these troubling trends in our culture are those most harmed by its effects, as children's natural rights to a healthy and secure family are increasingly denied.*
- *Adverse childhood experiences have a lifetime impact on the social and physical well-being of children and society.*
- *Not only this, but as we well know, children who grow up without an intact family are most likely to repeat the problems they unjustly inherited.*

***We invite you to prayerfully consider joining us as a CHAMPION for children, for families —and for Jesus Christ.***

**OUR  
GOAL**

*Our goal is to double the number of children and families we serve within the next decade, helping 5,000 families and children every year to flourish in Christ-centered homes and communities by 2027. But we will only succeed with friends like you at our side.*

*As CHAMPIONS with CFC, together we step into the breach on behalf of these children and the families who desperately want to stop this vicious cycle. We turn despair into hope.*

**HOW CAN  
YOU BE A  
CHAMPION?**

*As CFC battles for children and restoration of the family through our various programs and services, we are looking for ministry partners who are interested to fight, to press against secular culture, to secure a healthy future for every child. Fighting the good fight for the glory of God.*

*There is a huge need and opportunity in our communities for us to fight to win the battle raging against children and families in our culture today. We believe God wants to give us much more territory to conquer. We need CHAMPIONS like you to seize these opportunities.*

## *As a CHAMPION, we are asking you to commit to:*

# 1

*Every biblical champion is a person of prayer. We are asking you to commit to praying for CFC weekly;*

# 2

*Every biblical champion is willing to give generously. We invite you to be strategic about making a Kingdom impact with the money you have (Mark 12:41-44; Luke 7:36-50); and...*

# 3

*Every biblical champion is needed to speak out. We are asking you to advocate with us for the welfare of children. Join us by volunteering, engaging with the children and families we serve, hosting events, and promoting CFC to your friends and spheres of influence.*

# BE A CHAMPION!

***“Now to him who is able to do far more abundantly beyond all that we ask or think, according to the power that works within us, to him be the glory in the church and in Christ Jesus to all generations forever and ever. Amen.”  
Ephesians 3:20-21***

*The apostle Paul gives us a look back on the life of a CHAMPION when he says in 2 Timothy 4:7,*

*“As for me, I feel that the last drops of my life are being poured out for God. The glorious fight that God gave me I have fought. The course that I was set for I have finished, and I have kept the faith. The future for me holds the crown of righteousness which God, the true judge, will give to those who have loved what they have seen of him.”*
