ABOUT US

Thank you for taking your time to know more about us. Ryan and I have been married for over five years and we knew each other for five years before we got married. We are currently a family of three, with a 4-year-old boy named Uriah. We enjoy spending time with family and friends and being outside. We are very fortunate to have both sides of our family in town and to have grandparents that are always willing to help pour into our son.

ABOUT RYAN

Ryan is a helicopter mechanic, and quite handy around the house. (He built me a fireplace this year!) Ryan's smile and loud laughter is contagious. Every night Ryan and Uriah fill the home with Joy. Ryan usually acts like an animal and Uriah runs away trying to hide as he screams with glee. Ryan loves outdoor adventures such as hunting, mountain biking, snowboarding, and camping. Ryan serves with me in Sunday School, helps lead a men's bible study, and is on the elder board at our church. I have always admired Ryan's ability to befriend others and how much kids like to play with him.

ABOUT REBECCA

Rebecca is a selfless, loving, and caring women. She is always looking for ways to bless and care for others. Rebecca works part time as a nurse. Rebecca loves our son Uriah with all her heart and cares for him so much. She loves to pick up new skills, like learning how to bake sourdough bread, how to make homemade bone broth, and how to raise chickens. While she is learning these, she loves to involve our son by having him help be a part of the creative process. Rebecca's heart for adoption has been there since I met her, and she has always felt the Lord tugging in her heart to love on another child.

ABOUT URIAH

Uriah was born in 2020. He is a very active boy with an excitement for life. He loves putting on costumes and changing costumes multiple times a day. He loves getting his clothes dirty and playing in the mud. He likes to be a part of whatever is going on whether it be helping me in the kitchen or helping daddy in the garage. He lights up our life and the lives of those he meets.

A GIFT FROM GOD

God is bringing people into your life to walk through this with you! Every child is a gift from the Lord and God has a plan for each one. He has a beautiful plan for your child. Ryan's youngest sister is adopted, and Rebecca has three adopted cousins. They have all been a blessing to the family. We have been unable to conceive another child. We feel we have room at our table, an empty room in our house, and room in our hearts to love another child if it be God's will. I am praying that God will show you what is best for you and your child as you go through this process.
