

*Serve Kids.
Strengthen Families.*

Christian
Family Care

Family Care KIDS is a ministry of Christian Family Care. As a Christ-centered early childhood learning center, we help kids flourish into the person God has created them to be. We welcome all kids and families and know you'll find this to be an incredibly loving community. Family Care KIDS is a safe place where you'll know your child's unique needs are being met while they learn and grow.

Our Ministries

Christian Family Care (CFC) is the leading provider of services that strengthen families and serve at-risk children in the name of Jesus Christ. Join us in bringing hope and healing to vulnerable kids and families in our community and *be the one* to make an eternal difference.

Adoption

CFC connects Christ-centered families with children through our infant or Arizona Department of Child Safety (DCS) adoption program. CFC also recruits adoptive families for foster children through the Specialized Youth Permanency (SYP) program. Adoptive families are committed to their faith and often build a relationship with the birth family through open adoption. CFCare.org/Adoption

Foster Care

CFC serves foster children by recruiting, training, and walking alongside foster families. Our foster families give children hope and healing through a practical demonstration of God's love by providing them with a safe and nurturing environment. CFCare.org/Foster-Care

Counseling

Arizona Family Counseling is a service under CFC. Our licensed therapists provide counseling services for adults, children, and families through in-person or telehealth across AZ. Our therapists serve a wide range of therapy needs and offer the option of faith-based counseling. ArizonaFamilyCounseling.com

Pregnancy Counseling

Hand in Hand Pregnancy Counseling and Adoption is another ministry under CFC. This ministry supports women facing unplanned pregnancies by providing free, confidential, and nonjudgmental decision-making counseling. We offer education and support, as well as adoption planning and grief and loss counseling. HandinHandPregnancy.com

STRONG Families for Children

STRONG Families for Children is a prevention program that offers a secure and temporary home to children, minimizing the risk for abuse or neglect, and giving parents the time and tools they need to help their families thrive. This program provides short-term child care provided by vetted volunteer host families. STRONG stands for Sojourning Together Relying on God. STRONGFamiliesForChildren.org

Family Care Learning

Family Care Learning is a service of CFC that provides online courses that help inspire confident parenting and cultivate safe, loving families. Our FCL courses come with certification for families in foster care and offer high-quality, research-based instruction and tips to anyone with children in their care. FamilyCareLearning.org

Mentoring

Mentors provide youth and adults with a consistent presence in their life for at least four hours every month. Through these meetings, mentors are encouraged to support and guide their mentees even offering them prayer and sharing the love of Jesus. CFCare.org/Mentor-Foster-Youth

Empowerment Coaching

Our Family Coaches draw on their expert understanding of attachment, complex trauma, child development, trauma-informed care, and foundational biblical principles to equip individuals and families with the tools necessary to thrive in healthy relationships with others. CFCare.org/FamilyCoaching
