Meet Enrique!

Enrique is a sweet and relaxed person.

One that enjoys playing video games, watching Youtube, and on a nice day, being outside. When it comes to some good eating, Enrique is always down for some spicy food. Enrique enjoys a good laugh and has a great sense of humor.

Enrique enjoys a quiet but adventurous life. He prefers staying inside during those cold days and watching a good movie or having a good conversation. On a nice day, Enrique is happy to explore new places.

Enrique does well with any aged child. He enjoys animals and would welcome a family pet. Bio family is important to stay in contact with. The family for Enrique would be a home with a calm environment that enjoys spending that time together. Enrique would thrive with a family that is involved and can advocate for his needs.

Enrique was born in 2008.
