

Matthias, Sara, Noah, Cian & Elias

Thank you for taking the time to read about us and our family. We want to let you know that we admire your courage and strength. Making this kind of decision must be extremely difficult, but it shows the selfless love you have for your child. Growing our family through adoption is something that we have talked about since before we were married. We are excited to share a little bit about our family with you!

About us

We met in 2013 through a mutual friend. We connected quickly and started dating right away. We were engaged and married in 2014. In 2014, 2016 and 2021 we were blessed to welcome our 3 boys. We love to travel and do things outdoors whenever possible. We also enjoy more simple things like staying in for home-cooked meals and family movie nights! Matthias works full time in finance, and Sara stays at home with our boys, Noah, Cian, and Elias. Our boys have added so much joy to our lives and we are so excited to add another precious child to our family!

About Sara

Sara is a very loving, involved stay at home mom. She likes to bake and cook wonderful meals for us. She also enjoys all sorts of crafts, and loves spending time doing projects and things with the boys. She has an incredible bond with our children and never runs out of love or goofiness to give any of us! She is an amazing wife and mother, and never stops thinking about what is best for our family.

About Matthias

Matthias is a loving and kind husband and father. He is a strong but gentle leader for our family. He loves camping, working in our backyard, playing with our children, and watching movies. Matthias is a Margin Analyst at Charles Schwab. He can always make those around him laugh with his silly sense of humor. He is an amazing, hands-on dad and we appreciate all he does to provide for us!

About Noah

Noah is our 8-year-old. He can light up any room with his smile and goofy personality. He loves legos, doing art projects, playing with his friends, playing at the park, and going to Disneyland. He has such a big heart and is very sensitive. He is a great big brother and looks forward to a new sibling to love.

About Cian

Cian is our sweet and shy 6-year-old. He takes a little while to warm up but once he does, he is a complete love bug. He is also our wild child. He marches to the beat of his own drum and we wouldn't have it any other way. He loves going to the park, playing with his brother and friends, swimming, and hanging out with mama. He is such a helpful and nurturing big brother!

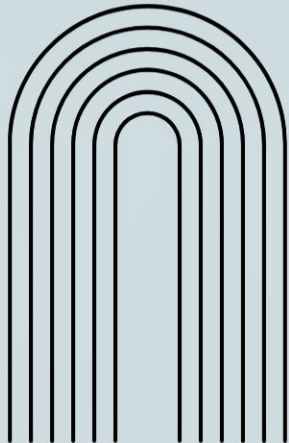

About Elias

Elias is our 1.5-year-old. He is absolutely adored by his older brothers and captures the heart of people he interacts with. He loves playing with his brothers and cousins and snacking all day long! His favorite thing to do is play outside. We know he will be an amazing big brother.

Family Life

We are very lucky to have a huge family support close to home. Our children have both sets of grandparents, Aunts and Uncles on both sides, Great grandparents, and cousins (adding more each year!) all living in the East Valley. Family is a huge part of our lives and we make sure to get together as much as we can. We do casual visits at home, celebrate holidays, have zoo or park days, and even do bigger vacations together. Some of our favorite places to go are San Diego, CA, and Disneyland!

Our Promise

In our home we value honesty, faith, kindness, and love. We promise to provide a safe and loving home for your child. We will be supportive of them and always encourage them to do the things they want to do in life. We will always be honest with them and share their adoption story with joy. We are praying for you no matter what you decide. Thank you again for taking the time to read about our family!
