

Phillip, Bethany and James

Thank you for taking time to read about us. Though we do not know your story, please know that we have been and will be praying for you and your child.

Our Story

We met over 5 years ago and have been married almost 4 years. Together we are raising our son James. The three of us are a tight-knit bunch and enjoy our family time. James is an active and sweet soul. He is nurturing by nature and looks forward to having a younger sibling to play with, teach and love. Phillip works as a Pharmacist and Bethany as a Special Education teacher.

Bethany: By Phillip

Bethany is dedicated and passionate about children. Throughout our relationship she has demonstrated a desire to serve and teach children of all backgrounds. She teaches special education, serves in our church's children's ministry as a leader, and is an amazing and supportive mother to our son. Bethany is compassionate, dedicated, and organized which holds our family together.

Phillip: By Bethany

Phillip is my best friend and a nurturing caregiver. He is intelligent, a problem solver, and has a strong dedication to his family. He loves boardgames, coaching, and conversations that make him think. Family is at the center of his value system and I could not ask for a better father to our son as well as any child that comes into our family.

We love spending time together at home and in the community. We attend Church every Sunday and have many friends we serve with in the Children's ministry. At home, we play board games, build Legos and take advantage of our large backyard and community park. James is also active in sports, playing soccer, baseball and golf. We make it a family affair with Phillip coaching and Bethany as 'Bench Mom'.

Our family is all about experiences. Trips to the Phoenix Zoo or local museums as well as a bit farther away are a regular part of our time together. We've traveled to Legoland, the beaches of California and back east to visit family in New Hampshire.

Our extended family is very much a part of our lives and includes Phillip's parents and siblings, their families, James's maternal grandparents and Bethany's parents. Time is spent at all of the grandparents houses and we travel together too.

We are animal lovers and our household currently includes two dogs (Max and Lily), two cats (Theo and Sliver) and a bearded dragon (Toothless).

Our Prayer for you:
We pray for peace, wisdom
and God's guidance in your
and your child's life. That the
path chosen be filled with his
blessings, grace and love for
all involved.

Thank you again for delving deeper into our story to consider if your journey, your child's journey and ours are to be connected. We admire your decision to place your child for adoption and want you to know they will be well loved and raised in a household that not only has strong Christian values but also strong family roots. Two parents with open hearts, a compassionate older brother, three sets of loving grandparents, aunts, uncles and cousins will surround your child with a support system, guidance and love.
