

Meet Joshua

Joshua is a hilarious and energetic kid who loves to play video games.

Outside, he loves to ride his scooter, go swimming, and go to the park to play with friends. He also enjoys playing with Nerf guns and Legos. He would really love to start karate or bowling! Joshua is down to do almost any activity if he gets to spend quality time with people he cares about.

Joshua's favorite type of music is rap, and he has many favorite artists, such as Kid Laroi, Shawn Mendes, and Jung Kook. He also enjoys listening to African and Korean music. He enjoys eating his favorite foods, which are carne asada fries from Filabertos. His favorite show to watch is Boondocks, but he enjoys other anime, too. His perfect day would include him being happy and playing Fortnite all day!

In school, Joshua says his favorite subjects are science and writing. What he likes most about school is recess and spending time with his friends. When asked what he wants to do when he gets older, Joshua says he wants to be the best video game player ever! If he became a billionaire from this, he would buy V-Bucks, a Ferrari, and a new house for his future forever family.

The ideal family for Joshua consists of a two-parent household that is ready to love him unconditionally or a single parent with the ability to provide one-on-one attention and care. Joshua is open to having siblings, but would do best in a home without younger siblings. This family would need to have experience in parenting and providing structure and routine. Joshua says he would like his forever family to know that he is helpful and that he would love to have a lizard. He would also like them to know that he is grateful and likes to be hugged. Joshua dreams that his future family has land where he can ride dirt bikes and four-wheelers as well as have animals.

Joshua was born in 2008.
