

Meet Lizbeth!

Lizbeth is a creative, strong-willed, smart and funny teenager.

She is bilingual, growing up with Spanish as her first language. She enjoys spending her time listening to music, painting, or coloring. She enjoys school and socializing with her peers. Lizbeth is always open to trying new experiences and foods.

Lizbeth's ideal family is a home with children her age or older. She would greatly benefit from being in a home where Spanish is primarily spoken and one that is similar to her cultural upbringing. However, she is also willing to live in an English-speaking home that can use keywords to communicate as she learns English. Youth would thrive in a home with a family that is very structured and routine-based as she likes to complete tasks and ask "what's next?"

Lizbeth was born in 2012.
