

Jason and Yesenia

Hello!

We are Jason, Yesenia, & Nathanael.

For many years now, we have been praying for you and your precious baby. Adoption has been on our hearts since we first met and we continue to pray the Lord will bless our family with another child. We have a nice and calm home, and we're surrounded by people who love us. We want to share these wonderful gifts with everyone who comes into our home. We are excited to give you a glimpse into this wonderful community God has blessed us with.

Our Story

Even though we grew up on opposite sides of the country, we were amazed to discover that we had many things in common. We both loved serving others, wanted a family, and loved the Lord. We quickly realized that God brought us together.

At first, we planned to grow our family through adoption. But then, something surprising happened! We were blessed with Nathanael before we could adopt. Even though our adoption plans were paused, our hearts still wanted to give a loving home to a child.

For the past two years, we've been providing safe and loving homes to kids in need. Now, we're eagerly waiting to be a forever family for a special child. We can't wait to share our love and happiness with them!
