

Meet Nevaeh!

Nevaeh is a very outgoing and active girl.

Nevaeh is a very outgoing and active girl. She enjoys doing outdoor activities such as going to the batting cages, walking in nature, roller skating, swimming, and collecting things like marbles. She was in a gymnastic class and stated that this was her favorite sport. When she is inside, she loves watching movies, and playing scrabble and other board games. Nevaeh loves to listen to music. Her favorite artist is Ruth B. because her favorite songs are by her - Dandelions and Lost Boy. She also loves to sing and feels that her voice has gotten a lot better.

Nevaeh is in fourth grade, and she likes going to school because people are nice! Her favorite class is technology. If she could learn anything, she would love to learn the piano and other sports like soccer and softball.

The ideal family for Nevaeh is a two-parent home with a mom and a dad. She would do well in a home where she is the only child or the youngest in the home. A family that can provide structure and routine is important. Her ideal family is one that enjoys spending quality time together whether it is doing an outdoor activity or staying inside and watching movies. Nevaeh has a soft spot for dogs and would love to have an animal in the home. Nevaeh is only open to families in Arizona.

Nevaeh was born in 2015.
