

## Meet Olivia!

### ***Olivia is a sweet and happy young girl with a bright smile and a strong spirit.***

She enjoys listening to soft, soothing classical or jazz music, playing with her rattles, and snuggling up with a soft blanket and her favorite stuffed animal. Olivia enjoys being sung to and having her hand held. She especially enjoys being out in the sunshine with people who are familiar to her.

Although Olivia cannot express herself through words, she has a unique way of communicating. She recognizes the voices of those around her and forms a deep and unspoken bond with her caregivers. She will turn her head and tune in to familiar voices and when she is happy, gives big smiles and lets out squeals or laughter of delight.

Olivia would do well in a family that has experience with children with medical and special needs. A family who can devote their time to caring for and loving her. Olivia does best in a calm, quiet environment without too much stimulation but enough attention to keep her engaged would be helpful. She would do well in a two-parent home and would be happy with any siblings or pets in the home.

Olivia was born in 2015.
