**Meet Sam!**

***Sam is a fun, imaginative and animated teen.***

He likes to connect with people and has a positive attitude that will put a smile on your face. If Sam could choose any activity, it would be playing a board game, using creativity to build something, or taking a walk in nature.

Sam's perfect day would be spent with his forever family at the Great Wolf Lodge Waterpark. He enjoys putting Legos together, playing basketball and football, and watching movies. Sam hopes to become a chef because he likes cooking for others.

Sam bonds easily with his caregivers and responds well to a consistent schedule with clear expectations. He would do best in a two-parent home with older or no siblings.

Sam was born in 2008.
