

Meet Sayuri

Sayuri is an incredibly sweet and affectionate little girl who radiates warmth and joy.

She delights in the simple pleasures of life such as listening to music and watching television shows filled with vibrant voices and dynamic sounds. Her curiosity is sparked by toys with flashing lights, and she loves to interact with them, eagerly exploring every moment of playtime. Sayuri thrives when she's spoken to and read to, soaking in the soothing sounds and connection from those around her. One of her greatest joys is basking in the sunshine, and she revels in the peaceful serenity of cat naps throughout the day, recharging her spirit for more moments of discovery.

Above all, Sayuri is searching for a forever family—one that is loving, nurturing, and stable, where she can feel truly at home. She would flourish best in a family that can dedicate plenty of one-on-one time, engaging with her through gentle conversations and heartfelt story-times. Given her complex medical needs, Sayuri would benefit from a family with experience or one willing to take the time to learn and provide the care she requires. A family that understands the importance of maintaining her positive relationships with her current caregivers and loved ones would also be ideal, with the possibility of occasional visits to keep those important bonds.

With the right family, Sayuri will blossom, and her heart will know the true meaning of unconditional love and security.

Sayuri was born in 2013.
