

Meet Sireenity (Ash)!

Meet Sireenity, who prefers to go by Ash! Ash is a passionate and confident youth, who is honest with those around her.

She has a natural ability to express what she wants and advocate for herself. Her favorite outdoor activity is skateboarding. She is also an amazing artist and desires to spend most of her free time drawing, sketching on her iPad, or using tattoo markers to design beautiful temporary tattoos on her skin. Ash is gifted with drawing, and painting, and has been asked to design a mural in her community.

Ash likes to spend time joking around with her friends. Ash enjoys building relationships with others and building a teasing and honest rapport with peers and adults. Ash is very talented with drawing and her tattoo pens, and wants to be a tattoo artist someday!

The ideal family for Ash would be a two-parent home with parenting experience in youth with trauma. A family with a strong structure and wisdom to give Ash healthy freedoms would be ideal so she can feel independent. A family with strong and healthy boundaries would be best. Ash wouldn't mind having siblings but the best family for her would have one other child in the home. Ash is looking for a forever family and hopes that even as a teenager she can find one to call her own!

Ash was born in 2009.
