Meet Annmarie & Lucie!

Annmarie and Lucie are sweet sisters who share a strong bond and love spending time together.

Annmarie is an extroverted, animated, and fun-loving girl who enjoys staying active. She loves playing basketball and soccer, racing in Mario Kart, swimming, and trying out gymnastics. She and Lucie have a blast creating TikTok dances together. Both girls enjoy eating at Cafe Rio, but Annmarie's favorite place is Peter Piper Pizza, where she proudly earns tickets for fun prizes. In school, Annmarie enjoys math—especially fractions—and is excited to have several of her friends in class again this year. When she grows up, she dreams of becoming a firefighter because she's always ready for adventure.

Lucie is a calm, thoughtful teen with a creative spirit. She loves arts and crafts, making bracelets, and looks forward to taking dance classes in high school. Her favorite restaurant is The Cheesecake Factory because of its wide variety of foods and cheesecakes. Lucie enjoys math but especially loves science. She also hopes to learn Spanish and pursue a future in the arts.

Annmarie and Lucie hope to remain together in a loving Arizona family with both a mom and a dad who will nurture their individual personalities while supporting their close sister bond. They would thrive in a home that encourages their interests—whether that means cheering from the sidelines at a soccer game, helping with creative art projects, or simply enjoying family movie nights and dinners out together. They dream of having a dog to play with and look forward to building lasting memories through everyday routines, laughter, and meaningful time spent as a family.

Annmarie was born in 2016; Lucie was born in 2010.
